

## WHOM SO EVER IT CONCERN

This is to certify that, I visited Sri Sharada Public School on Dt: 25-1-2019 to verify the sanitary and drinking water facilities provided to the students in the school and their functioning condition.  
The details are as follows.

SlNo	No.of boys toilet	No.of girls toilet	No.of Staff toilet	No.of Drinking water taps
1.	Ground Floor - 01	Ground Floor - 01	Ground Floor - 01	Ground Floor - 01 (Aqua guard water purifier)
2.	First Floor- 01	First Floor- 01	First Floor- 01	First Floor- 01 (Aqua guard water purifier)
3	Second Floor-01	Second Floor-01	Second Floor-01	Second Floor-01 (Purified Filled Water can)

The toilets are independently built with all necessary infrastructure ( Taps, Closets and ceramic flooring etc) and maintained the hygienic condition by periodical cleaning using detergents and acid water. Underground Drainage is connected to main UGD of MCC Mysore
